

>> Industrial Safety and Hygiene

Item	Year	Type of Award
1.	1999	Voluntary Protection Program (VPP) Certified by Council of Labor Affairs (CLA): Rolling Mill Department II, Utilities Department, Rolling Mill Department III.
2.	2000	VPP Certified by CLA: Plant Engineering and Maintenance Department, Steel Making Department.
3.	2001	CLA National Labor Safety and Hygiene Award World Safety Organization Award of "Concerned Company/Corporation Honorable Mention Certificate"
4.	2002	OHSAS 18001 certified by British Standards Institution
5.	2002	CLA National Zero-Hours Award (1) Iron Making Department: 3,231,154 consecutive employee hours (2) Steel Making Department: 1,327,720 consecutive employee hours (3) Rolling Mill I: 1,516,680 consecutive employee hours (4) Plant Engineering & Maintenance Department: 1,044,862 consecutive employee hours (5) Rolling Mill II: 3,598,772 consecutive employee hours (6) Transportation Department: 1,940,066 consecutive employee hours
6.	2003	Bureau of Labor Affairs, Kaoshiung: Zero-Hours Award (1) Iron Making Department: 4,000,000 consecutive employee hours (2) Rolling Mill II: 4,219,159 consecutive employee hours (3) Electric & Control Department: 1,230,094 consecutive employee hours
7.	2003	VPP Certified by CLA: Iron Making Department, Steel Making Department, Rolling Mill I, Plant Engineering & Maintenance Department, Transportation Department.
8.	2003	Taiwan Iron and Steel Industry Labor Safety and Hygiene Outstanding Performance Organization: Iron Making Department, Steel Making Department
9.	2003	CLA Certified VPP Honorary Organization: Rolling Mill III
10.	2004	CLA National Zero-Hours Award: Rolling Mill I (5,091,402 consecutive employee hours)
11.	2004	VPP Certified by CLA: In-plant Transportation Department, Iron Making Department, Rolling Mill I, Utilities Department, Rolling Mill II, Rolling Mill III, Transportation Department.
12.	2004	Taiwan Steel and Iron Industries Association Occupational Safety Performance Accreditation - Zero Recordable Injury Award: In-plant Transportation Department

>> Environmental Protection

Item	Year	Type of Award
1.	1999	Kaohsiung City Stationary Emission Source Pollution Control Outstanding Performance Organization Award: Iron Making Department 1999
2.	1999	Ministry of Economic Affairs Energy Conservation Outstanding Performance Organization Award: Rolling Mill Department II 1999
3.	1999	National Atmosphere Protection Outstanding Efforts Award: Utilities Department 1999
4.	1999	National Pollution Control Facilities Operation And Maintenance Outstanding Performance Award: Utilities Department 1999
5.	2000	Ministry of Economic Affairs Energy Conservation Outstanding Performance Organization Award: Iron Making Department 2000
6.	2001	Ministry of Economic Affairs Water Conservation Outstanding Performance Organization Award: Power Plant 2001
7.	2001	Ministry of Economic Affairs Energy Conservation Outstanding Performance Organization Award: Utilities Department 2001
8.	2002	Ministry of Economic Affairs Water Conservation Outstanding Performance Organization Award: Water Treatment Plant 2002
9.	2002	The 11th Enterprises Environmental Protection Award of the Republic of China: Rolling Mill Department II 2002
10.	2002	Annual Award of Excellent Engineering Projects: Kaousiung Hsien Gangshan Garbage Recycling Plant, Engineering Business Department, 2002
11.	2002	Annual Award of Outstanding Environmental Engineering Projects: Kaousiung Hsien Gangshan Garbage Recycling Plant, Engineering Business Department, 2002
12.	2002	Industrial Waste Reduction Outstanding Performance Award: Raw Material Handling & Inplant Transportation Department, 2003
13.	2003	Ministry of Economic Affairs Water Conservation Outstanding Performance Organization Award: Iron Making Department, 2003
14.	2003	The 12th Enterprises Environmental Protection Award of the Republic of China: Utilities Department 2003
15.	2003	Annual Award of Outstanding Environmental Engineering Projects: Chiayi Hsien Lutsao Garbage Recycling Plant, Engineering Business Department, 2003
16.	2004	Annual Award of Outstanding Environmental Projects: Sintering Plant of Iron Making Department 2004
17.	2004	Ministry of Economic Affairs Energy Conservation Outstanding Performance Organization Award: Sintering Plant of Iron Making Department 2004
18.	2004	The 13th Enterprises Environmental Protection Award of the Republic of China: Rolling Mill Department III 2004
